## Chartifacts!

**SINGLES.** We have two new entries into the Top 10 this week, with **Gwen Stefani** storming in at #2 and **Jesse McCartney** moving up 5 spots to join the gang at #9. We have no movement from the front, middle and back with **Nelly** sticking to his guns at #1, **Mario** at #4 and **Ashlee Simpson** at #10. The rest of the lot slips a spot or two.

**No.2 RICH GIRL – Gwen Stefani.** The bleached blonde bombshell recently struck a high note when her first solo album, *Love Angel Music Baby* reached #1 earlier this month, following in the footsteps of her debut single, *What You Waiting For?* She also scored her first movie role playing the legendary **Jean Harlow** in the biopic film *The Aviator*, depicting the life of another legend, film maker **Howard Hughes**. **Eve** makes an appearance on the *Rich Girl* track.

**No.18 WHAT'S GOING ON? - Casey Donovan.** She was the first female (ok I know there has only been 2 idols, but technically I am right) to take out the title crown. This is the second track to be lifted off her already triple platinum album *For You*. Unfortunately it just missed out on the top spot, losing out to **Robbie Williams**, back in December last year. The single, *Listen With Your Heart*, on the other hand debuted at #1, where it stayed for two weeks.

**No.22 SOMEONE'S WATCHING OVER ME – Hilary Duff.** This 17 year old has it all, her own cosmetics and clothing brand, hit music, movie and TV roles – what more could a girl ask for! *Someone's Watching Over Me* is taken from her latest self titled album, which peaked at #6 in November last year. *Fly*, the first single lifted off the album peaked at #21 also that month.

**No.24 HOW WE DO – The Game.** **The Game** (a.k.a. Jayceon Taylor), was raised in a foster home and started living the life of crime at the age of 10. Three years ago during a drug deal he took five bullets to the chest, arms and leg and woke up in hospital from a three day coma. Since then **The Game** has been focused on nothing other than hip hop in order to make his way out of the gang life. His debut album *Documentary* is sitting at #47 this week.

**No.33 JUST LIKE GOOD MUSIC – Andrew DeSilva.** Former **CDB** member, Melbournean, **Andrew DeSilva** flies solo with his debut release. *Just Like Good Music* is an urban feel track but has been given a dance rework by the **Quazimodo Sound Consortium** which has already made a stir on the dance floors nationwide, hitting the **ARIA Club Chart** peaking at #18.

**No.44 HOLD ON ME – Grinspoon.** Back in 1995, **Phil Jamieson** and **Kristian Hopes** met up with **Pat Davern** and **Joe Hansen** at a jam session. The four got together and wrote a song named *Sickfest* and entered Triple J Unearthed competition and went on to be the co-winners. This is the third track to be lifted off their *Thrills, Kills and Sunday Pills* (#4 Sep. '04) album. Did you know that **Grinspoon** got their name from a pro-marijuana activist named Dr. Lester Grinspoon.

**No.51 S.O.S. - A Studio.** Unless you're Russian you could be forgiven for having never heard of **A-Studio**. Set to become Russia's finest export, the exciting quartet of energy and innovation hits our shores. Being a household name in their native homeland, the fresh sounding **A Studio** has already received massive support by our DJs, peaking at #9 late last year.

**No.54 SHAKE THAT! – Scooter.** **Scooter** was formed back in 1994, starting with **H.P. Baxxter**, the original writer and frontman for the dance outfit. **Scooter** has enjoyed massive success overseas, as well as doing quite well here. With a number one track, *The Logical Song* (Oct. '02) and a handful of Top 100 hits that include *Nassaja* (#24 Nov. '02), *Weekend* (#37 April '03) and *The Night* (#85 Aug. '03). *Shake That!* is taken from their forthcoming album *Mind The Gap*.

**No.56 DESTROY ROCK & ROLL Mylo.** **Myles McInnes** a.k.a **Mylo** was recently in Australia to play the *Good Vibration Festival*. *Destroy Rock & Roll* is the second track to be lifted off the album of the same title. It peaks this week at #73. The debut single, *Drop The Pressure* peaked at #46 last year and sent dance floors crazy, coming in at #3 also last year.

**No.73 LOST WITHOUT EACH OTHER – Hanson.** All of you would remember **Hanson** when they were wee lads and released their monster debut single *MMMBop*. It debuted at #1 in May '97 and held that position for nine consecutive weeks. Now, unfortunately for brothers, **Isaac**, **Taylor** and **Zac**, the pinnacle position is a bit further out of reach. Their last single release *Penny & Me* peaked at #65 in October last year.

**ALBUMS.** **The Killers** jump a huge five places and tackle **Gwen Stefani** to occupy the #1 spot this week. **Maroon 5** clock up over 6 months in the Top 10 and sit at #4, while the **Scissor Sisters** climb three places to #7 with their self titled release. **Russell Watson** makes a splash, making the biggest jump of the week by moving up a massive 27 places to enter the Top 10 at #10.

**No.23 SOME CITIES - Doves.** The **Doves** are a pop trio from Manchester, England who have a similar sound to **Radiohead** and **The Verve**. The band comprises of twins **Jez** and **Andy Williams** and their friend **Jimi Goodwin**. They were originally a dance act called **Sub Sub**, however, a fire destroyed their studio and their upcoming material. The **Doves** released their album *Lost Souls* in '00 and it peaked at #68 in June that year. The album *The Last Broadcast* reached #17 in May '02.

**No.30 SILENT ALARM – Bloc Party.** London four piece **Bloc Party** were formerly known as **Angel Range** and **Union** before settling on their current name. Their music is described as art-punk and the band list their influences as **Sonic Youth**, **The Cure** and **Joy Division**. After sending **Franz Ferdinand** their demo, they were invited to play with them at an industry performance, receiving acclaim from bigwigs and peers alike. The album *Silent Alarm* is receiving great reviews overseas.

**No.46 THE COSMIC GAME – Thievery Corporation.** This isn't the first time **Thievery Corporation** has ventured into Top 100 territory. Their albums *The Richest Man In Babylon* and *The Mirror Conspiracy* peaked at #56 and #40 respectively. The dance act use elements of nearly every musical genre in their work, including dub, reggae, hip-hop, jazz, house and funk. They are the founders of the Eighteenth Street Lounge nightclub in Washington, which is also the name of their label. *The Cosmic Game* debuted on the **ARIA Dance Chart** at #5 this week.

**No.60 TOURIST - Athlete.** Hailing from London, this quartet has opened for acts such as **The Polyphonic Spree**. They have been compared to **Beck** and **Mercury Rev** due to their melodic tunes. The band was created in the late '90s when everyone wanted to be the next **Oasis**. **Athlete's** last album *Vehicles and Animals* sold 250,000 copies but failed to make an impact in Oz. The album *Tourist* has been a fixture on the European and U.K. charts of late.

**No.66 THE FAREWELL TOUR - Cher.** Born **Cherilyn Sarkisian**, **Cher** had many a hit in the '60s and '70s as part of the legendary duo **Sonny & Cher**. The pair had their own television series and were best known for their smash *I Got You Babe*. **Cher** dabbled in acting and received an Academy Award for her role in the film *Moonstruck*. She made a comeback in 1998 with her album *Believe* (#13, Feb. '99) and also charted well with hit collections *The Greatest Hits* (#5, Jan. '00) and *The Very Best Of Cher* (#12, Oct. '03).

**No.80 FUNERAL – Arcade Fire.** **Arcade Fire** is a five piece from Montreal, Canada. Members **Win** and **Regine** were married in August 2003. **Regine** fled the nation Haiti and its dictatorship and learnt to sing, play piano, guitar, accordion, mandolin, flute, drums and harmonica secretly without her parents knowing. The group named their album *Funeral* as several band members all had relatives die during the writing and recording process of the album.
